(12) Add new cemetery: **Little Rock Cemetery**

**Little Rock Cemetery**

Description: Piedmont National Wildlife Refuge

Location: Is located in compartment 21. Drive down the Wildlife Drive past the Childrens' Pond and Little Rock. You will come to a fork in the road, of which the right branch curves around down to Falling Creek and back up, to where the left branch meets it. Take the right fork, and the cemetery is located about 200 feet farther in the island that is formed by the roads. The cemetery lies in the highest point on that ridge.

The Wildlife Drive lies only about 200 feet south from the southernmost grave.

GPS coordinates: N33.0888232 X W-83.7192456

Date surveyed: Jul 1, 2005

Other info: The cemetery has over 20 graves marked only by fieldstones. The graves are oriented in several rows, and seem to follow the ridge.

(13) Add new cemetery: **Old Cedar Cemetery**

**Old Cedar Cemetery**

Description: Piedmont Wildlife Management Area

Location: Located on the foot travel road that leads into compartment 15. Traveling west on Juliette road past the Island Cemetery field it is the first foot travel road off to the north. Less than 0.2 miles down this road there is a clump of cedar trees on the west side of the road, and the cemetery is located in this cedar stand. The cedars are located just before the first split in the road.

The graves are about 30 feet from the road, just northwest of a 26" cedar that is clearly visible from the foot travel only road. Two of the field stones are such that they can be seen from the road as well.

GPS coordinates: N33.09806 X W-83.6900007

Date surveyed: 07/01/2005

Cemetery Status: Inactive

Other info: There are at least six graves within this site, none of which have improved headstones, but most of which are marked with field stones.

Indexer(s) or Contributor(s): Liene Lucans

(14) Add new cemetery **Mossy Stone Cemetery**

**Mossy Stone Cemetery**

Description: Located just across the county line in Jasper County

Location: Located in compartment 12 off of Sugarhill Rd. From the four way where Sugarhill meets Bridge Out and Pasturefield Road, go NE on Sugarhill 2.5 miles. On your right is a foot travel only road. Travel E on this road less than one tenth of a mile. When you reach the top of the first hill, there is the remnant of an old road going off to the right. If you follow this road for a very short distance, you will come to a large open area with many mature red oaks and dogwood. The cemetery is located in this clearing.

GPS coordinates: N33.1554962 X W-83.6674982

Date surveyed: Nov 2005

Cemetery Status: Inactive

Other info: The road that the cemetery is located on loops around the cemetery and connects back to the foot travel only road that leads out to Sugarhill Rd. However, on the west side of the loop there is another road that leads off to the homesite and eventually connects with Sugarhill Rd.
